

# Dhiaga

## *Tasting Note*

### **2020 Hopscato Dhiaga**

*2019 vintage (previously called Moscato Dhiaga) was the winner of Danger Zone Trophy in the Young Gun of Wine 2020 Competition. The 2020 vintage has come off the back of this winner and we are even happier with it!*

|                |   |
|----------------|---|
| Grape Variety: | Moscato Bianco  |
| Region:        | Swan Hill, Victoria   |
| Alcohol:       | 12%   |
| Colour:        | Pale straw with yellow hints. A slight haze is evident that increases as the sediment is disturbed.   |
| Bouquet:       | Spectacular moose that lifts the vibrant hop and muscat aromas of coriander seed, lavender oil, dried herb, dragon fruit and orange peel. A bit like a hoppy beer, but the wine aromas shine through.   |
| Palate:        | Softly sparkling with a fine matrix of bubbles evident, a creamy mouthfeel dominates with freshly squeezed lime and herbal flavours lingering on a crisp dry finish. This is a bone dry Moscato. There is a natural sediment in the bottle of yeast lees and hop flowers. |

*As this wine is preservative free. It is best drunk within a few years of the vintage. Store in upright in a cool place.*
